Clover -  
Thank you so much  
for all of your hard work &  
generosity. We look forward  
to future partnerships.

Andrew

Dear Ms. Clover Henry-Gilroy,

The countless hours you put into  
teaching and coaching was an  
incredibly generous gift to our  
organization and each participant.

The positive feedback we've  
received from the interns who  
attended was awesome. Everyone  
was able to take from the  
presentations valuable and practical  
information and put it into practice.  
On behalf of Urban Youth Impact  
and our interns, thank you for  
sharing your energy, talents, and  
time.

Sincerely,  
Danielle Tierney
